# Conclusion

- The Reality - We need more Money for the Island
- In The End - We will Figure out How to work with less
- Medicaid/Medicare Advantage/Platino are tightly connected
- To drive real change in Mi Salud
  - Providers and Insurance Companies need Alignment
  - Data will Drive Performance and Program Participation
  - Quality needs to be Enforced
  - Connectivity and Data need to be the backbone for a successful program
- Puerto Rico has Accomplished Metrics that U.S. Healthcare is trying to Achieve
- We Need to Continue to Educate and Create Credibility around our Puerto Rico Health Care story

# Thank You
