# 3<sup>rd</sup> PROMESA Conference

## The Business Sector Perspectives and New Government Strategies

**Grant Reporting Efficiency and Agreements Transparency (GREAT) Act** bipartisan support to standardize grant reporting and data taxonomies

**President's Management Agenda (PMA) Cross Agency Priority (CAP) Goal # 8 – Results Oriented Accountability For Grants** measure progress, develop digital tools to manage risk and implement maturity model to achieve greater stewardship and program results

## Themes

### Risk Based Focus

Replace outdated reporting processes with open data, increase transparency and reduce compliance costs.

### Data Driven Approach

Use data analytics to enhance fidelity in results and performance management.

### Performance Management

Measure progress and share lessons learned and best practices to inform future efforts.

# 3<sup>rd</sup> PROMESA Conference

## Insights: GREAT Act

### Streamline Federal Reporting

Replace outdated reporting processes with open data, increase transparency and reduce reporting burden.

### Standardized Data Elements

Agencies to use nonproprietary data taxonomies and identifiers for grantees.

### Strengthen Oversight & Management

Consolidated collection and display of data and access to open data.

## President's Management Agenda - CAP Goal 8 Results Oriented Accountability For Grants

### Goal

Maximize the value of grant funding by applying a risk-based, data driven framework that balances compliance requirements.

### Opportunity

Articulate the goals of grant programs and the results of investments for recipients and agencies, innovation, greater accountability and fidelity in the data.

### Strategies

Standardize data, leverage data analytics, modernize with digital tools, use a risk-based framework to drive reliable results.

**Thank You**
