

**Maria Fernanda Levis-Peralta, MPH, MPA, PCMH-CCE
CEO, Impactivo Consulting**

Ms. Levis consults to health centers, hospitals, pharmaceuticals, insurance companies and governments in New York, Washington DC and Puerto Rico on issues related to health systems, quality, policy and financing.

She has worked with Atrius Health, a pioneer ACO, documenting their practice transformation process, a Blue Cross Blue Shield affiliate to design their clinical, financial and operational quality and performance improvement data systems, and multiple health centers to improve quality, compliance and net income. She has been instrumental in the attainment of millions in federal grants and has designed health needs assessment and strategic planning methodologies used to integrate quality and payment compliance.

She has a Masters in Public Administration and a Masters of Public Health from Harvard University and is a NCQA Patient Centered Medical Home Certified Content Expert and Robert Wood Johnson Foundation Fellow.
