

KATHLEEN WASLOV

INDUSTRY SPECIALIST

EMPLOYEE BENEFIT CAPTIVES

POSITION

Senior Vice President
Willis Global Captive Practice
Willis Global Solutions (Employee Benefits)
Boston

PROFESSIONAL EXPERIENCE

Kathleen has over 25 years of experience designing and implementing captive insurance transactions. Her specialty at Willis is risk financing of benefit liabilities for active and retired employee benefit plans. She advises companies on captive insurance strategies and the formation and operation of captive insurance companies.

Previously, she worked for Towers Watson as a risk financing consultant to large corporations and for Liberty Mutual where she was managing director of Bermuda operations.

CREDENTIALS

Kathleen received a B.A. with distinction in mathematics from the University of Virginia and a M.S. in operations research and systems analysis from the University of North Carolina at Chapel Hill.
