

PUERTO RICO

**TELECOM**

CONFERENCE 2011

**THE NEW FUTURE**

## **Jorge Hernández, CPA**

Vice President & CFO, OneLink Communications

Jorge Hernandez is the Company's Vice President & Chief Financial Officer. He has held this position since November 2005. Mr. Hernandez has over 18 years of experience in the telecommunications industry. Prior to joining OneLink Communications, Mr. Hernandez was Director-Finance for Telefonica Moviles, in Madrid, Spain, assisting the transition of acquired assets from BellSouth International and the coordination of the global financial system consolidation. Previously, he was the Director and Regional Controller for Bellsouth International, a subsidiary of BellSouth Corporation, with operations in 12 countries and annual revenues of approximately \$3.0 billion. Here he was responsible for all the aspects of reporting, accounting and compliance from a US GAAP and SEC standpoint.

His international experience includes start-up, development and integration of various international ventures in Latin America. Prior to that he held various positions with another telecommunications company and worked for the public accounting firm Arthur Andersen LLP. Mr. Hernandez is a Certified Public Accountant. Mr. Hernandez is a Board Director for the Puerto Rico Chamber of Commerce, Commonwealth-Parkville Schools and Club Natacion de Caguas, a member of the Media Financial Management Association (MFM) where he serves on the accounting standards and cable committees, a member of the Puerto Rico Certified Public Accountant Society, and has led fundraising efforts for the Puerto Rico Down Syndrome Foundation.
