

Ana C. Ramos

Director, Market Access &
Commercial
Merck Puerto Rico

Ana C. Ramos is the Market Access and Commercial Director for Merck Puerto Rico. She is responsible for the development of the access and commercial strategy, focused on recognizing access opportunities and barriers, evaluating the health landscape, and demonstrating value and affordability for the patients, while driving profitable growth for the Merck portfolio in PR. Ana holds a Bachelor of Science degree in Industrial Engineering from University of Puerto Rico, Mayaguez Campus and is a certified Six Sigma Green Belt.
