

Brenda Cruz, Pharm.D.

Super Farmacia Isla Verde, President

Brenda Cruz, Pharm.D. is a distinguished pharmacist and healthcare entrepreneur with a deep-rooted passion for improving patient care. She completed her PharmD degree with honors at Michigan State University, where she developed a strong foundation in pharmaceutical sciences and clinical practice.

With an impressive background in the pharmaceutical industry, Dr. Cruz garnered invaluable experience working with leading companies in the healthcare sector. Her extensive industry knowledge and understanding of medication development and distribution have shaped her unique perspective on optimizing patient outcomes.

In 2015, driven by her vision to provide personalized and comprehensive pharmaceutical care, Dr. Cruz established Super Farmacia Isla Verde, a well-respected community pharmacy located in Isla Verde, Puerto Rico. Since its inception, the pharmacy has become a trusted healthcare destination, offering an array of services tailored to meet the diverse needs of the local community.

Recognized as a trailblazer in immunization practices, Dr. Cruz has been at the forefront of promoting immunizations as a crucial aspect of preventive care. Her pharmacy has been instrumental in breaking down barriers to access, offering an extensive range of vaccines and implementing innovative strategies to increase vaccination rates.

Dr. Cruz's dedication to patient well-being extends beyond the pharmacy. She actively participates in community health initiatives, collaborating with local organizations to educate the public on various health topics. Her engaging presentations and commitment to raising health literacy have made her a respected figure in the community.

In recognition of her contributions to the field of pharmacy, Dr. Cruz has received numerous accolades and honors. She continues to inspire her peers and colleagues through her exceptional leadership, innovative approach to healthcare, and unwavering commitment to advancing the profession.
