

**Mr. Eric Frontera Zayas, PharmD**

VP Business Support, PharmPix, Corp

Eric has been a practicing pharmacist for over 17 years. He has worked in a variety of settings including hospitals and community pharmacies. Over the last 8 years he has been working in the managed care space, initially as a Coverage Determination Pharmacist at MMM Healthcare and most recently as Director of Clinical Accounts at Elixir, overseeing the clinical teams directly supporting clients. Currently he serves as Vice President of Business Support at PharmPix.

Eric holds a Doctorate in Pharmacy degree from Nova Southeastern University.
