

Dr. Iris E. Rodríguez Delgado, as Medical Director of INSPIRA®, since 2019. She is in charge of supervising the quality and satisfaction of INSPIRA® patients and families for the services provided by the medical faculty. Dr. Rodríguez develops protocols that adhere to the standards of practice based on medical evidence and that comply with the standards established by the Joint Commission. Dr. Rodríguez has been part of the INSPIRA® medical faculty for 13 years. She has worked with the Research Department as a sub-investigator and in 2015, she joined the INSPIRA at the Hato Rey clinic as a psychiatrist. She is also part of the faculty of the Department of Psychiatry of the Medical Sciences

Campus as Ad-Honorem Assistant Professor, treasurer of APPNA-AACAP chapter of PR and psychiatrist at the Hogar de Niñas de Cupey, as part of her service to the community. Dr. Rodríguez completed all of her studies at the University of Puerto Rico and obtained a bachelor's degree in biology, a Doctorate in Medicine, a Specialty in General Psychiatry, and a Subspecialty in Child and Adolescent Psychiatry. She is an ABPN Diplomate in Psychiatry and a Distinguished Member of the American Psychiatric Association.
