

**José E. Soliván Rivera, CPA  
Associate Executive Director  
Mennonite Health System**

CPA Jose E. Solivan Rivera is currently Associate Executive Director of Mennonite Health System. He has a strong track record that includes the healthcare, manufacturing, service, marketing, advertising and non-profit industries. He specializes in finance, business management, strategic planning, business development, acquisitions and financing.

His 23 years of experience have led him to create, lead and be an essential part of transcendental strategic projects for the companies in which he works. He began his professional career in GFR Media, one of the most recognized and reputable multimedia companies in Puerto Rico. In 2007 he began functions as Chief Financial Officer in the Mennonite Health System, since then he has been key in the development, expansion and innovation of the Institution. As Associate Executive Director, CPA José E. Soliván Rivera has excelled primarily in leading and transforming the structure and direction of strategic planning processes, which include: executing strategies for expansion, development, growth, and strengthening the financial position of Mennonite Health System.

With these results, the Institution has been able to expand its mission of Serving with The Love of Christ, benefiting more PR communities. Mennonite Health System is a non-profit institution, which is governed by Christian values and focused on service to the community. It has modern facilities, advanced technology, 4,000 employees and a medical faculty committed to offering services of the highest quality.
