Luis Alemañy

Turnaround Leader| Value Creator| Strategist| Entrepreneur| Game-Changer| Philanthropist

Puerto Rico

Summary

A prominent figure in Puerto Rico's economic and business sectors, recognized as a turnaround leader, value creator, strategist, entrepreneur, game-changer, and philanthropist. He has over 25 years of experience spanning operations, manufacturing, general management, finance, accounting, and sales & marketing, achieving outstanding results in both government agencies and Fortune 500 companies. Alemañy holds a master's degree in industrial management and a BBA in Finance from the University of Puerto Rico, as well as a certification in Entrepreneurship and Business from Babson College. He is also certified in Lean Six Sigma. Throughout his career, Alemañy has held multiple leadership roles, transforming organizations such as Pepsi, 3M, Baxter, Amgen, and Toshiba. As an entrepreneur, he acquired assets from American Tools, Inc., founding SJT Manufacturing in 2019—an ISO 9001-certified company that leads the production of metal products in P.R for global distribution. He also established SJT Logistics to support clients' warehousing and inventory management needs and also founded SJT Consulting Group.

From 2017 to 2020, Alemañy served on various boards of directors, including as vice president of the Public-Private Partnerships Authority and as a director of the Puerto Rico Convention Center District Authority. In 2015, he was president of the Association for Financial Professionals Chapter of Puerto Rico and chairman of the board for St. Jude Children's Research Hospital. In 2021, he was appointed by the Governor of P .R to lead the Economic Development Bank of Puerto Rico, rescuing it from imminent closure due to an uncapitalized balance with a \$16 million deficit. By 2024, Alemañy had achieved a major turnaround, delivering \$135 million in positive capital, reducing the delinquency rate from 38% to 7%, and

positioning the bank as the island's premier commercial institution for start-up financing.
