

Rosa Del Carmen Vega Matías

VP, Leader of Corporate Benefits Programs

Rosa Del Carmen brings more than 21 years of human resources experience across the pharmaceutical, financial services, insurance and telecommunications industries, with expertise in compensation, welfare benefits and retirement plan strategy.

During 19 years at Popular, she has led corporate benefits programs and employee services within Human Resources (Our People) and Popular Risk Services, including retirement and welfare plans and wellness programs.

Her leadership experience spans Puerto Rico, the Virgin Islands, the British Virgin Islands, the United States and Latin America.

She holds a BA in Psychology, with training and certifications in Compensation, On-Site Health & Wellness Clinics Management and Targeted Selection.

Her approach centers on serving employees while maximizing the value of the organization's investment in benefits and well-being.
