PROFESSIONAL DEVELOPMENT

More than twenty-five years of management and administrative experience in local government and private agencies, including supervisory and management roles. Working as **MIS/IT Manager**, I am currently responsible for all the operations of the Information and Technology Department of a local environmental laboratory. Responsibilities include, but are not limited to, 24x7 availability of the Oracle Database and other main applications; on site and remote connections to and from users; continuous synchronization between primary and standby servers to reduce downtime and ensure data availability; authorization management for shared files, documents and applications (administrative and operational) that resides on Windows-based physical and virtual servers; and constant access and monitoring of internet security services. Proficient developer of data analysis and reports using Crystal Reports Designer generator. Specialization in LIMS Administration, and application data integrity.

Other professional duties include maintenance of an accident-free working environment, especially for general safety and accidents prevention, as well as emergency preparedness and response at company level. Provide corresponding training to company personnel not only in office automatization, but also in emergency response and incidents management.

As certified Emergency Response Team member for employer, became certified as Basic **Emergency Medical Technician (EMT-B)** by EduTec College and **Emergency Medical Responder (EMR)** by American Health & Safety Institute, to be fully qualified as **Medical First Responder**. Had membership with the American Board for Certification in Homeland Security - Level III and is an active member of Global Society of Homeland and National Security Professionals (*CHPA-III*). Have training and experience and had participated in several local and federal exercises as **Exercise Evaluator** and became qualified as Homeland Security Exercise and Evaluation Program (HSEEP). Have advanced certifications by DHS/FEMA, such as Certificate of Professional Achievement, Instructor Training Course, Basic Instructor Certificate and Hazardous Materials Operations Course (C.O.B.R.A.) from Anniston, Alabama. Recognized as a **Basic Military Emergency Management Specialist (MEMS-B)** by the State Guard Association of the United States, and member of the Air Force Emergency Management Association. Completed certifications as Instructor for "Incident Response to Terrorist Bombings", "Understanding and Planning for School Bomb Incidents" and "Prevention of and Response to Suicide Bombing Incidents", all recognized by New Mexico Tech University and DHS/FEMA.

Became certified as Helicopter Landing Operator by Embry-Riddle University and Antipodean Education Institute. Actual **BLS** and **CPR/AED/Basic First Aid Instructor** aligned with American Red Cross, Health & Safety Institute and with Emergency Care & Safety Institute. Holds an active membership with **FBI's InfraGard Members Alliance** – Puerto Rico Chapter, and volunteer member and Emergency Preparedness Community Instructor for **Department of Health, Medical Reserve Corps of Puerto Rico**.
