

Priority requests of the FACES coalition to the federal executive & legislative branches

HEALTH

Congress · HHS–CMS

- ▶ Correct Puerto Rico's Medicaid funding before the September 30, 2027 cliff.
- ▶ Extend full federal health & income programs: MSP, SSI, LTSS, Part D LIS, full NAP.
- ▶ Set a USVI-level Medicare Advantage payment floor (\$967 PMPM) for 2028.

ENERGY

FEMA · HUD · DOE · Congress

- ▶ Streamline FEMA / HUD / DOE approvals to release allocated reconstruction funds faster.
- ▶ Back a sustainable PREPA debt resolution and continuity of the private T&D operator.
- ▶ Extend DOE credit support and fast-track new, reliable generation capacity.

TAX

U.S. Treasury · Congress

- ▶ Provide U.S. Treasury technical assistance to modernize Puerto Rico's tax system.
- ▶ Adopt Pillar Two and NCTI / GILTI relief; enact the Territorial Economic Recovery Act (HR 1426).
- ▶ Amend Section 1031 to make Puerto Rico real property eligible for like-kind exchanges.

RESHORING

Congress · Administration · DoD

- ▶ Enact the MMEDS (Malliotakis) Act (HR 3042) and Supply Chain Security & Growth Act (HR 1328).
- ▶ Treat Puerto Rico as the duty-free domestic alternative for critical supply chains.
- ▶ Use the Berry Amendment and federal procurement (DoD, HHS, VA, DHS) to source from Puerto Rico.
- ▶ Build on Executive Order 2025-012, pairing federal incentives with private investment.

FEDERAL FUNDS

Executive Branch · Congress

- ▶ Accelerate disbursement of already-allocated funds and cut unnecessary bureaucracy.
- ▶ Update awards to current costs and keep recovery funds available until projects finish.
- ▶ Protect designated funds from rescission; require transparency and local participation.
