

**Hari Sabnani, CEO, President, Founder Alivia Health Puerto Rico**

**Hari Sabnani** is the Founder, President, and CEO of **Alivia Health**, Puerto Rico's largest locally owned pharmacy organization. Under his leadership, Alivia has grown into a leading healthcare platform with more than **500 employees**, processing **over 1.0 million prescriptions annually**, serving **250,000+ patients**, and managing **over 50% of Puerto Rico's specialty pharmacy market**.

Alivia Health is recognized as a key healthcare partner on the island, focused on improving **access, affordability, and quality of care** for patients. The organization was ranked **#1 Leading Company in Puerto Rico** in the **Puerto Rico Chamber of Commerce 2025–2026 BizData Book** and was previously recognized by **Caribbean Business** as one of Puerto Rico's **Top 15 Local Businesses**.

Alivia Health includes several specialized healthcare operations:

- **Alivia Specialty Pharmacy** – Puerto Rico's leading specialty pharmacy for oncology and complex high-cost therapies.
- **Alivia Infusion Services** – A leading provider of home infusion therapies, including IV antibiotics and biologics.
- **Alivia Home Delivery** – A closed-door pharmacy providing island-wide delivery of prescription and OTC medications.
- **Alivia Hub** – Puerto Rico's only pharmaceutical hub dedicated to patient management, adherence, and compliance programs for specialty therapies.

Hari has been widely recognized for his leadership and contributions to Puerto Rico's healthcare sector. He was named to the **Caribbean Business Power 100**, previously recognized in the **Caribbean Business "40 Under 40,"** and honored as **Executive of the Year in the Service Sector** by the **Puerto Rico Manufacturers Association**.

He currently serves on several boards and advisory groups, including **Chairperson of CEOs Against Cancer – Puerto Rico Chapter (American Cancer Society)**, member of the **Puerto Rico Chamber of Commerce Healthcare Committee**, and advisor to the **Universidad del Sagrado Corazón Business School**.

Prior to founding Alivia Health, Hari held senior leadership roles across the healthcare industry, including **General Manager of Quest Diagnostics Puerto Rico & Latin America** and **Vice President of Sales & Marketing at Cardinal Health Puerto Rico**, as well as leadership positions with **Pfizer/Wyeth, Johnson & Johnson (Ethicon), and Eli Lilly**.

Hari is a **Certified Public Accountant** and holds a degree in **Accounting and Finance from the University of Puerto Rico, Río Piedras**. He began his career in public accounting at **KPMG** before transitioning into healthcare leadership.
