Current Responsibility

Pamela Laboy is a principal and consulting actuary in the Tampa office of Milliman. She joined the firm in 2017.

Professional Work Experience

Pamela has 15 years of experience in the actuarial field working in the life and health sectors.

During the last 12 years, she has focused on the healthcare sector with an emphasis in managed care. Pamela's expertise lies in Medicare Advantage and Part D product development and pricing with extensive experience in financial reporting, formulary analysis, and developing pricing and forecasting models.

Prior to joining Milliman, Pamela spent six years at a large Medicare Advantage organization honing her leadership and project management skills.
